Dear Parents/Caregivers,

Assalamu ‘alakum wa rahmatullahi wa barakatuhu.

The powerful earthquake that struck northwest of Kathmandu on Saturday 25th April has left thousands dead. Nearly 1 million children are in urgent need of humanitarian assistance, with efforts to aid survivors intensifying.

The earthquake has caused enormous suffering and devastation. It is our moral obligation to stand united and offer what we can in support of the people of Nepal. The SRC will be collecting donations throughout the next week and we ask that you support this cause.

Please send donations with your children, or alternatively, a box will be placed in the administration office for you to place your donations directly.

We thank you for your generous support.

Wassalaam,

Mr. Khalil
Principal
