## Principal's Message

**Assalamu 'alaikum wa rahmatullahi wa barakaatuhu**

*I hope that all students, staff members and their families enjoyed a safe holiday. I would like to extend my regards to Sheikh Nabeel Succarie and Mrs. Patricia Saab on their return from Hajj – Hajj Mabroor! We look forward to other members of our school communities fulfilling this rewarding pilgrimage in the near future, inshallah.*

*Term 4 is a particularly busy time of the year, with students looking forward to their swimming program in Week 4 and Healthy Harold Visits during Weeks 5 and 6. Students in Stage 3 will also be attending their sport and recreation camp at Wiseman's Ferry next week.*

*I encourage all parents and caregivers to spend quality time collaboratively reading and reviewing your children's work in preparation for the Yearly examinations scheduled for later this term.*

*I look forward to celebrating the hard work and success of our students and staff throughout the term.*
